

What do Laura Benanti, Alan Cumming, Christine Ebersole, Sutton Foster, Ariana Grande, Shirley MacLaine, Bette Midler, Matthew Morrison, Bernadette Peters, Chita Rivera, and Ben Vereen have in common? It is a little-known fact that they are among a long, distinguished list of performers who earlier in their careers served as Broadway Standbys or Understudies.

At This Performance...™, a critically acclaimed celebration of Broadway and Off-Broadway Standbys and Understudies, gives five of New York's finest musical performers their chance in the spotlight. No longer "waiting in the wings", they take their well-deserved place Center Stage. Hosted and produced by New York Casting Director and Series Producing Artistic Director Stephen DeAngelis, the performers will display their great talents and versatility, share backstage behind-the-scenes anecdotes and conduct an enlightening and entertaining question and answer session with the audience. The talent lineup will be an all-new created combination exclusively for your venue.

At This Performance...™ debuted in October 2003 and has to date showcased the talents of over 1000 talented actors and actresses who have covered over 4700 roles in over 500 Broadway and Off-Broadway productions or revivals. Broadway stars who are noted alumni from the ongoing series include Christian Borle, Stephenie J. Block, Laura Bell Bundy, Jonathan Groff, Joshua Henry, Megan Hilty, Lisa Howard, Cheyenne Jackson, Jeremy Jordan, Andrew Rannels and Tony Yazbeck. Join us for what has become a "can't miss event" for New York theatrical audiences and entertainment industry insiders in this rare opportunity to see the Broadway stars of tomorrow today.
